Mild BBQ Sauce
(makes about 2 quarts)

Ingredients:
4 cups tomato sauce (plain is best here)
1 2/2 cups coca cola, Pepsi or beer
1 1/2 cups cider vinegar
1 1/2 cups chile sauce
1/4 cup prepared mustard
1/2 cup bottled steak sauce
juice of two lemons
1/2 cup Worcestshire sauce
2 Tbls vegetable oil
1 Tbls soy sauce
1/2 Tsp Tabasco sauce
1 1/2 cups packed dark brown sugar
2 Tbls freshly ground black pepper
2 Tbls garlic salt
1 Tbls dry mustard

In a large saucepan, combine the tomato sauce, cola, vinegar, chile sauce, mustard, steak sauce, lemon juice, Worcestershire sauce, oil, soy sauce, and Tabasco. Bring to a simmer over medium heat.

In a small bowl, combine the brown sugar, pepper, garlic salt, and dry mustard. Mix together well.

Add the dry ingredients to the tomato mixture and stir well. Increase the heat to medium high and bring to a brisk simmer, stirring frequently. Cook for about 20 minutes or longer for thicker, more intensely flavored sauce. Cover the saucepan and reduce heat to low. Cook about 30 minutes until the flavors are well blended. Cool the sauce, and use immediately, or cover and refrigerate for up to one week.
Note: Our resident Grill Meister, Sam Bucas, recommends trying a little of this hot sauce in your next batch of Bloody Mary's.

Sam also recommends finishing the grilling process by thinning this sauce (any sauce) with water, vinegar, wine, beer, oil or some combination of two or three of these ingredients, and using it to baste the meat just before it's done.
